## DISCOUNTS

Discounts are available for organizations registering multiple teams and teams registering for multiple tournaments.

## ADDITIONAL INCENTIVES

Depending on the number of championships, teams will receive substantial discounts towards registration for AAU World Championships (more championships the greater the discount). All teams participating in NY Metropolitan AAU District championships will receive an automatic bid to the AAU Nationals. This is the only true National Championship in youth basketball.

Many outside organizations come to Long Island and the New York area to host marginal tournaments. Their goal is to take advantage of you and the market in our region just to grab fees and leave. Their tournaments are often disorganized and don't even have enough teams to properly fill out divisions. Why support these outside organizations?

By choosing to support both AAU and Island Garden you are choosing quality. High quality basketball is what we have provided for all players for the past 25 years. We are the most experienced in the New York region and we are here, every year. We are and will always be accommodating to everyone in anyway we can. This is our proven track record and we are seeking your support in helping to build a great spring tournament series for Long Island and the New York area. We hope to see you this Spring!
