**ADDITIONAL INFO:**

Sunday, June 27th, 2021

Huntington State Beach (Newland)

Weekend Tournaments are BACK and VolleyOC is super excited to organize great tournaments again.

Size limits:

We are limited to 50 teams at Newland Street, 40 at Bolsa Chica. That means this event is certain to fill and you should register right away.

Other Venues:

In order to facilitate more competitors in our event, we may utilize the Bolsa Chica courts in front of Pacific Kitchen.

The Pacific Kitchen concession area is an outdoor, spectator-friendly bar and restaurant. We'll email a few days before the event about that.

Check-in and start time:

8:45am and 9am

Age divisions

At VolleyOC, we are continuing with September 1st based age guidelines. I.e. if you turn 15 on or before August 30th, 2021 you need to play 16u.

Exceptions can be made but only with prior consent from TD Ed Ratledge.

Format

Pool play (3, 4, and 5 team pools). We'll organize a second round of single elimination bracket play to increase competition and award medals/prizes to top teams.

Prizes

Medals for 1st, 2nd, and 3rd place all divisions. More prizes TBD depending on sponsor involvement

Parking

Your Huntington State Beach annual pass also works at Bolsa Chica. You may buy one on site for \$50 (includes t-shirt).

Weather Issues

Event will only be cancelled in the unlikely event of heavy rain, wind, and day-long unplayable conditions. Ed will email throughout the week with weather info if things are dicey, and the event may be altered to run more quickly if afternoon rain is imminent. If there is a window of playable weather on event day, we'll run during that window by altering start time.
