COVID INFORMATION, RESTRICTIONS & GUIDELINES

** This information is subject to change per county Health Department & CDC guidelines **

PLEASE DISTRIBUTE ALL INFORMATION TO COACHES & PARENTS!

We must communicate with our families to ensure they can properly prepare for any/all restrictions and guidelines. Please note, information outlined here is subject to change with little notice and may differ from other events attended at different locations. We will inform everyone of changes immediately.

WHAT WILL THE EVENT LOOK LIKE?

Event directors are working hard to make in person competition a reality for athletes. We are doing everything we can to make these events feel as normal as possible but there will be some notable changes:

1. Limited Spectators
Spectators will be **LIMITED TO 2 PER GYMNAST**. This will be monitored at the front door.
2. Masked Spectators
All spectators are required to wear a face covering before entering the facility and for the duration of the event.
3. Masked Judges
All judges are required to wear a mask or face covering for the duration of the event.
4. Masked Coaches & Gymnasts
All coaches and gymnasts are required to wear a face covering when entering the facility but may remove it once the session begins. Gymnasts and coaches can choose to continue wearing face coverings after the event starts. Gymnasts and coaches are asked to wear face coverings during awards ceremony.
5. Revised Award Ceremony
With every Judge Evaluation, the award ceremony is not typical. This year, we will not be using the award stand or moving kids around the floor. Gymnasts will be recognized and receive their personalized plaque from a designated area on the floor. Coaches must distribute awards to their gymnasts.

**Parkland will also be disinfecting & sanitizing between each session
