We wish to take this opportunity to say THANK YOU! Throughout the years AAU has supported The Texas EXPO Pole Vault Explosion, the second largest pole vaulting event of its kind in the world. This years, Texas Expo Pole Vault Explosion is co-hosting with the Belton High School Boys and Girls Track & Field team.

The Texas Expo offers pole vaulting for all youth ages ranging from Beginners to High School Elites. All youth will be accommodated in a division.

A beginners training session will be available, along with a session on six drills every pole vault coach should know.

[THE TEXAS EXPO EXPLOSION](#) is held in a venue unlike any other than in Belton Texas, Bell County's 6000 seat domed coliseum. Professional vaulters and vaulters from around the nation have stated that the venue is like no other and they look forward to attending every year. During this two-day event, female and male athletes attending Elementary School, Middle School, High School, Collegiate, and Professional will compete in approximately 42 divisions. Along with Master Women and Master Men ranging in ages between 30 and 90 years of age competing in age-based divisions. The event is live streamed across the globe and was viewed by over 5000 viewers last year.

The Texas Expo Explosion is one of only two, single event meets in the United States approved for high school female or male athlete to obtain a qualifying standard to compete in the National Scholastic Indoor Track & Field Champions hips.
