

# 2021 Olympia World International MAS Wrestling Tournament

International Tournament at Joe Weider's  
Olympia Fitness & Performance Weekend  
October 7-10, 2021 Orlando Florida

MAS Wrestling is an ancient sport, the modern version is brought to us from Yakutia (far northern region of Siberia in the Russian Republic of Sakha). Variation of the sport is found in many cultures including being a favorite of the Vikings in the Scandinavian countries, as well as the Eskimos of North America (Eskimo wrestling, which is part of the Eskimo Olympics), Athletes sit in front of each other, prop their feet against the board that divides the competition arena and pull on a short stick. An athlete wins the bout if he/she pulls the opponent over with the stick or pulls (snatches out) the stick from the opponent. Best two of three bouts win the match.
