WAIVER & RELEASE OF LIABILITY

Los Rios Community College District, Cosumnes River College, Jonathan James, and the volunteers and coaches involved in this event, its trustees, officers, employees and agents makes every effort to protect all pupils but does not assume any liability for injury.

The above listed AAU Club Affiliate, the coaching staff, and team parents are allowing all student-athletes from their team to participate in the CRC FALL HOOPFEST 2018. We voluntarily agree to release, waive, discharge, and hold harmless the Los Rios Community College District, Cosumnes River College, Jonathan James, and the volunteers and coaches involved in this event, its trustees, officers, employees and agents from any and all claims of liability arising out of their negligence, or any other act or omission which causes the student illness, injury, death and damages of any nature in any way connected with the student's participation in this event. We also expressly agree to release and discharge the Los Rios Community College District, Cosumnes River College, Jonathan James, and the volunteers and coaches involved in this event, its trustees, officers, employees and agents from any act or omission of negligence in rendering or failing to render any type of emergency medical services.

As the head coach and athletic director of the above listed high school, we have read and voluntarily agree that all participants may partake in CRC FALL HOOPFEST 2018, and we sign this release on their behalf. You have agreed to communicate this waiver and release of liability with all team parents prior to this event. In signing this document, we fully recognize and understand that any participant that is hurt, dies or his/her property is lost/stolen/damaged, we are giving up their right and the right of their parents and heirs to make a claim or file a lawsuit against the Los Rios Community College District, Cosumnes River College, Jonathan James, and the volunteers and coaches involved in this event, its trustees, officers, employees and agents.
