Some great things to know about this MEET GENIE:

Scoreflippers was the company that we had at the AAU 2019 WI State & Regional Championships. If you attended either of these meets your Club will already be listed. If your gymnasts attended either of these meets they will already be listed also. You will just need to update their level/ and enter their new AAU Membership number. If you register them and do not change their level at time of registration you will be charged to change their level if you need change it at a later date. (Always double check the spelling and birthdate of your athletes **).**

****You can also upload an INDIVIDUAL PHOTO of each gymnast to their registration. (This can also be done at a later time; this does not have to be done when registering). This photo will appear with their name on the scoring display monitor! And remember they will always have their scores in the system for any meets using the Scoreflippers scoring system!**

****Please list your Club as you wish to have it presented/announced in the program, march in signs, meet memorabilia, shirts, awards, etc. No abbreviations or shorthand. Thank you!**
