# 2021 AAU Southern California Championship

**May 8 & May 15, 2021**

Hello Everyone,

In preparation for the 2021 AAU Nationals, we are hosting this event to help our athletes get rid of their mat rust and feel more prepared for the nationals. Here is our plan to conduct this event safely and responsibly.

Here are our plans.

- We will host the championship over two weeks to reduce and keep the number of participants each day manageable. Depending on the number of competitors, we will activate up to three rings.
- We will use the **Daedo system** and **E-headgears** for all three rings. We will have certified referees for this event and simulate a full regulation tournament experience.
- For safety, all competitors, coaches, and referees will wear masks. ***Our competitors will get one full minute rest between rounds.*** All sparring matches conducted will live-streamed on the Zoom. Only coaches and athletes will be allowed to come inside. Parents can watch the match inside the comfort of their car.
- In accordance with AAU Taekwondo rule, color belts are allowed to make light head contact and black belts are allowed to make full contact. Because of the limitation of the participants, everyone with close weight will be bracketed together. Everyone is entitled to a minimum of two full regulation matches (double elimination).

We will open the online registration up by this week. All competitors must pre-register and no-onsite registration will be accepted. For any question, contact me; [masterkwak@amaa-usa.com](mailto:masterkwak@amaa-usa.com).

Thank you and we look forward to seeing you all.
