# STAAU COVID – 19 PROTOCOL

We are all aware of the current situation with COVID-19 and the impact it has had on our communities. South Texas AAU as per the direction of the AAU national office will monitor and promote the guidelines set forth by the Texas State Government, CDC, NFHS and UIL. The determination of events will be greatly influence by the decisions of the **CDC and UIL**. A majority of our organizations work directly with the local school districts for practice and event facilities. The structure of the UIL for High School sports directly affects our organizations. It is very important that we monitor the UIL guidelines and schedules. **All organizations Presidents, Directors and Coaches are responsible for the management of these guidelines. It is important and required that all parents and spectators are informed of the guidelines prior to entering any practice or event.**

**Please note: Belton ISD and Judson ISD, require mask all times unless consuming food or drinks. All Athletes are required to follow the guidelines unless they actively training or participating in competition.**

The **CDC and UIL** have provided a youth sports participation guideline. All organizations must familiarize themselves with these guidelines and implement them in your training, practice and event structure. The guidelines are the minimum standard that everyone should follow. It is highly recommended that additional precautions be taken above and beyond the guidelines. **Anyone participating in any activity understands there is a risk of exposure and accepts that responsibility.** Please take every step and precaution to make your environments are as safe as possible. Please reference the CDC and UIL guidelines links below. Please provide this to all your parents, participants and staff.
