- This event is licensed by the Amateur Athletic Union of the U. S., Inc.
- All participants must have a current AAU membership.
- AAU membership may not be included as part of the entry fee to the event.
- AAU membership must be obtained before the competition begins except where the event operator has a laptop available with an internet connect. Participants are encouraged to visit the AAU web site www.ausports.org to obtain their membership.
- **AAU does not fall under the guidance of the US Center for SafeSport, but for the athletes, coaches and judges that also hold USA Memberships their guidelines must be followed. If not, they may have serious repercussion with their memberships if they participate in any event regardless of affiliation when a USA suspended member is actively participating in the event. For these reasons stated if you are on the USA suspended list you may NOT attend the District Championships as I am a Member Club, Professional member and have many AAU Athletes that also hold USA memberships and do not wish to jeopardize our status with USA Gymnastics.**
